

DE AGOSTINI GROUP AT A GLANCE

Through a diversification and internationalization strategy initiated in 1997, De Agostini has gradually expanded its activities from the traditional publishing sector to other sectors, each belonging to an independent sub-holding:

- **De Agostini Editore**: is the company active in the publishing sector in 29 countries with publications in 12 languages and organised into areas of activity: Collectibles through subscription commerce and retail with De Agostini Publishing, books with De Agostini Libri, a joint venture between De Agostini Editore and Mondadori Libri, and the Kids Content area, active in the production and distribution of audiovisual content.
- **DeA Communications**: is the media and communication sector where the De Agostini Group focuses its interests in broadcasting, content production and distribution for television, media platforms and cinema. The shareholding in Banijay Group, an international leader in independent audiovisual content production and distribution, merged into FL Entertainment, a global digital entertainment player, listed on Euronext Amsterdam, after the business combination with Pegasus Entrepreneurs. The De Agostini Group holds a 4.99% stake of the new company. ATRESMEDIA, Spanish radio and television group listed on the Madrid stock exchange, of which a strategic share is held in partnership with the Spanish partner Planeta Corporation, is co-leader of the Spanish television market.
- **IGT**: world global player in the casino industry and gaming entertainment sector, listed on the New York Stock Exchange. De Agostini S.p.A. controls IGT with a majority share. IGT has extensive know-how for developing gaming systems and products and sports betting systems through the provision of terminals, hardware and software. In Italy IGT Lottery S.p.A. is the state concessionaire for all lotteries (Gioco del Lotto, Gratta e Vinci and Lotteria Italia).
- **DeA Capital**: is one of the most important Italian operators in Alternative Investment, active in alternative investments and asset management (Real Estate, Credit, Private Equity e Multi-asset / Multi-manager) in Italy, through DeA Capital Alternative Funds SGR S.p.A. and DeA Capital Real Estate SGR S.p.A. and abroad through the companies DeA Capital Real Estate France, DeA Capital Real Estate Iberia, DeA Capital Real Estate Poland e DeA Capital Real Estate Germany.
